

ELLE DECORATION

05.04.2019

Main Exhibitions of April

ELLE Decoration presents the best architecture, design and art events of the month.

Roberto Matta and the Fourth Dimension

The State Hermitage exhibition "Roberto Matta and the Fourth Dimension" presents the Russian audience with an opportunity to discover the legacy of one of the last Surrealists who tried to depict space beyond the conventional, visible perspective.

When: until April 21

Where: the General Staff building of the State Hermitage, 6/8 Dvortsovaya Square, St. Petersburg hermitagemuseum.org
